

NATIVE TITLE ABORIGINAL CORPORATION

From the Waanyi PBC Board

15th February, 2018

To all Waanyi PBC Members,

On the 13th of February, the Waanyi PBC held a board meeting in Brisbane where the issue of the Waanyi Community Support Payment Funding was raised by our Accountant Joyleen Lange.

Over the last year, the PBC has spent well over \$100,000 in Community Support Payments on funerals, travel for hospital visits, family payments, motor vehicle repairs, and groceries. Since mid January when the PBC received it's latest round of funds, we have spent more than \$22,000 on Community Support Payments.

The PBC's Community Support Fund is now empty, and unfortunately there is no more money available.
